About Me

I am a passionate and self-motivated student with a solid foundation in computer science and web development. Proficient in programming languages such as C, C++, and Python, I also possess hands-on experience in front-end technologies including HTML, CSS, and JavaScript. My drive for continuous learning has enabled me to take on complex projects and contribute effectively to team environments. I am eager to leverage my skills and knowledge to tackle real-world challenges and make a positive impact.
